

Turn Your Walk-Ins Into Loyal Regulars.

The modern, privacy-first digital loyalty network that scales your repeat business without the hardware hassle.

Why Smart Businesses Choose Perkfinity

Zero Privacy Liability

We completely shield you from data compliance risks. Customer PII (emails/phone numbers) is never shared with you, keeping your reputation spotless.

Zero Hardware Needed

No expensive point-of-sale integrations or confusing merchant tablets. Your customers claim perks instantly using just their own smartphone cameras.

Automated Member List

The moment a customer scans your QR code, they are instantly and automatically added to your private Member List—allowing our system to retain them via Daily Digests.

First 10 Members Free

Start entirely risk-free. Your Free Trial Tier allows you to continuously capture, retain, and market to your first 10 loyal members without ever paying a dime.
